Re: Scholarship Application 2010

The Audubon Center of the North Woods has some limited, need-based scholarships available for students to attend a North Woods Wilderness School summer youth program. The funds are from the Matt Link – Marv Borell – Frank Buckingham Memorial Scholarship Fund.

We will offer partial scholarship awards of \$200 as well as a number of full scholarships. Awards larger than \$200 may be considered on a case by case basis. Please indicate the needed amount of the scholarship in the application form.

Please have your daughter or son fill out the enclosed form, attach the parent letter, and mail it to us at the Audubon Center **as soon as possible**. You will be notified within 2 weeks with the decision on your scholarship application. If you have any questions, please do not hesitate to call.

If you do not need a scholarship to attend, please do not apply. There are many students for whom this aid is critical.

Sincerely,

Audubon Center of the North Woods
