To: Nominees of Audubon Center of the North Woods
Summer Camp Scholarship Applicants

Spring/Summer, 2011

Re: Scholarship Application 2011

The Audubon Center of the North Woods has some **limited, need-based scholarships** available for students to attend a Summer Camp. The funds are from the Matt Link – Marv Borell – Frank Buckingham Memorial Scholarship Fund and other sources.

We will offer partial scholarship awards of up to 50% of the selected camp registration. The need is high and the supply is low, so please consider this in deciding whether to submit an application. Another funding source may be your local National Audubon Society chapter as many chapters sponsor a youth for summer camps. You will find these listed via this web address: www.audubon.org/chapters?state=MN

Summer Camp information and an application form are attached/enclosed. We ask that the youth you are nominating complete part of the form. You will be notified within 2 weeks with the decision on the scholarship application. If you have any questions, please do not hesitate to call.

We look forward to having your young learner join us this summer,

Melonie Shipman
Co-Executive Director
