Group Background

What are your goals and expectations for your Audubon experience?

How have your students and adult leaders been prepared for this experience?

Please tell us more about your student population (ie, ESL, LGBT, cultural or religion, etc.):

If you are allowing your students to bring phones, what is your phone usage policy (ie, for taking pictures only, for free time entertainment, etc.)? *Please note some areas at ACNW are designated no phones zones.*

Do you anticipate students needing to borrow warm clothing (boots, jackets, gloves, etc.) for this trip? ACNW has a selection of winter gear for student use. A teacher will be responsible for returning gear or a fee will be assessed.
